MOMMY IS SANTA CLAUS REAL?

Has your child asked the question yet? What will you say when it happens? At what age is a child ready to understand?

Join Dr. Mariette Danilo, Developmental psychologist and former Director of Adult Faith Formation at Our Lady of Mt. Carmel Church, in a unique presentation of this timely topic. Dr. Danilo will address the questions surrounding childhood readiness to understand, and share tools and resources to help parents create a rich and meaningful Advent experience for their children.
