## FROM THE PASTOR

### FDA APPROVES NEW SHINGLES VACCINE

The only vaccines readily available in the United States for some contagious diseases (e.g., rubella and Hepatitis A) have been manufactured using fetal tissue from induced abortions. This creates a problem of conscience for some Catholic parents.

The FDA recently approved a new shingles vaccine that does not use aborted fetal cell lines, and has given it a preferential recommendation over the only other available, and morally problematic, shingles vaccine on the market. A joint letter from our colleagues at the Catholic Medical Association (CMA) and the National Catholic Bioethics Center (NCBC) provides more detail and some helpful suggestions. It is our hope that, with some encouragement, the manufacturer of this new vaccine may consider creating other morally acceptable vaccines. Read more about this issue on the OLG website.

## FIRST FRIDAY, AUGUST 3 FIRST FRIDAY OBSERVATION

First Friday is a special time of grace and blessing, as it enables us, through Eucharistic Adoration, to grow closer to Our Lord, Who is present Body, Blood, Soul, and Divinity in the Most Blessed Sacrament. First Friday is a time to slow down a bit and receive God's love into our hearts, so we in turn can give that love to others. Eucharistic Adoration is a great way to focus on Jesus and be refreshed in His service!

### How can I get Involved in this Special Time?

Visit the Saint Juan Diego Chapel in OLG Church and spend some quiet time in prayer with Jesus in the Blessed Sacrament. The chapel will be open after the 8 a.m. Mass until the Benediction at 4 p.m. Sign up for a half-hour of Eucharistic Adoration today. Or just show up! To sign up, please utilize the following SignUp Genius link:

### DO YOU KNOW YOUR TRIBUNAL?

The Tribunal is available to help people who have experienced divorce and who may wish to remarry in the Catholic Church.

When a divorce occurs, the Catholic Church always seeks to balance two realities. One is the durable bond of marriage. This is God's law. On the other hand, the Church is concerned about the spiritual welfare of the people involved. Even though a Catholic marriage was celebrated, perhaps there was some deficiency in the consent of the parties involved regarding intentions, understanding or ability. The annulment procedure addresses these circumstances.

If you are divorced and want to marry in the Church or remarried outside the Catholic Church, please find us on the web at [archphila.org](http://archphila.org) under the "How Do I" tab or call 215-587-3750.

### PONDERING THE WORD...

Oh, I love how the Spirit works! I am currently helping to develop weekend retreats I will offer with others at an Ignatian retreat house not far from where I live.\* The theme of the retreat is "God's Dream," and in my research, I came across a provocative book, *The Dream of God*, by the late Episcopalian theologian and lay preacher, Verna Dozier. The main focus of the book is how far we have strayed from God's dream for the world, modeled for us by the life of his son. We have sanitized and institutionalized faith, making God's kingdom into a kingdom of the world, with all the trappings of a worldly kingdom, and Christ as its king—the very thing Jesus runs away from in today's gospel.

*"Jesus did not call human beings to worship him, but to follow him. The church missed its high calling to be a new thing in the world when it decided to worship Jesus instead of follow him."* (p. 74) Dr. Dozier does not dismiss worship, but says that if it is not in the service of strengthening our discipleship, it is pointless, or worse, blasphemous.

If our worship and prayers do not lead us to love and serve others—and as Jesus tells us, even our enemies—or, if our worship and service is solely for the purpose of gaining eternal life in the kingdom of God, we have missed the entire point of God's dream, made incarnate in the humble man from Galilee.

### LIVING THE WORD...

While I find theological arguments and discussions thought-provoking and stimulating, they can also get in the way of God speaking to my heart. For years, the regal and distant image of Christ the King superseded any possibility of knowing intimately the Servant King who calls me to serve alongside him.

What is your image of Jesus? As an otherworldly Deity to be known after this life, or as a companion and guide on your journey here on earth? What do you believe is God's dream for the human race? What is God's dream for you? I invite you, not to abandon your worship—not by any means—but to spend quiet time not just listening to God's word, but living it; taking it into your heart, not examining it with your head; learning what Christ truly wants to be for and with you, not just what others say he should be. Take the risk. Withdraw to the mountain alone with Jesus and allow him feed you and speak to your heart.

## IS YOUR BALANCE WOBBLY?

Did you know that balance begins to decline after the age of 50? Better balance begins with learning to move more gracefully. Equally important is improving posture, sharpening awareness and strengthening the core. Reliable, safe and agile movement begins with a base of good balance. If living an active, independent life is important to you, don't miss this opportunity!

Our Lady of Guadalupe Health and Wellness Ministry is hosting a one-day balance seminar that teaches active adults how to be anchored, upright and agile in an unpredictable world and prevent the likelihood of a life-changing fall.

## 50<sup>TH</sup> ANNIVERSARY OF HUMANAE VITAE - A MODERN REFLECTION

### A faithful love yields enduring happiness

July 2018

*Married love is also faithful and exclusive of all other, and this until death. This is how husband and wife understood it on the day on which, fully aware of what they were doing, they freely vowed themselves to one another in marriage. Though this fidelity of husband and wife sometimes presents difficulties, no one has the right to assert that it is impossible; it is, on the contrary, always honorable and meritorious. The example of countless married couples proves not only that fidelity is in accord with the nature of marriage, but also that it is the source of profound and enduring happiness.*

*(Humanae vitae no. 9)*

### Reflection

There tends to be a common view in the culture that freedom means doing anything one wants, anytime, with no restraints. Such a view makes it difficult to understand the vowed commitment to lifelong, faithful marriage.

Bl. Pope Paul VI in *Humanae vitae* reminds the world that the Church offers a different view of freedom, a view that authentic freedom can only be found when it is ordered towards the truth. When we live our lives according to the truth, as with the example of a husband and wife living a life of faithfulness and fidelity to each other in marriage, we experience the "profound and enduring happiness" and authentic freedom our hearts are truly longing for.

How have you experienced the fruits of living faithful love in your life? Are there areas God may be inviting you to grow in trust and faithfulness in your relationship with Him?

## ABORTION AND PUTTING OUR FAITH INTO ACTION

In a culture and world that is hungry for the Truth, we are often challenged to put our faith into action. For example, many of our politicians profess their Catholic faith, but try to divorce the faith which they proclaim from their policies, particularly as this relates to LIFE issues.

However, as Christ's followers and as Catholics, we are called to integrate our faith into all aspects of our lives. In fact, we are called to make our faith evident in all our actions and decisions. In the Sermon on the Mount, Jesus tells us not to hide our light under a bushel basket, but let our light shine before others (Mt 5:15-16).

Defense of the unborn---the most vulnerable and defenseless human beings in our society, is undoubtedly the most important aspect of integrating our faith and actions. After all, LIFE is the most important gift that God gives us!
