FROM THE PASTOR

SAFETY AND SECURITY REPORT TO THE PARISH, JUNE 2019

In the fall of 2018 I initiated with the support of both the Pastoral and Finance Councils a Safety and Security Committee under the direction of Bob Weikel. The charge of this committee was to study all aspects of our safety and security in light of some vandalism that we have experienced over the years and in the present day environment of recent random acts of violence in places of worship and other public sectors. And, in addition, to make recommendations on how I can continue to assure your safety and security as members of Our Lady of Guadalupe as we come together on this campus throughout the week.

The members of the committee include retired law enforcement officers, security specialists and various other members of the parish. Since its inception, they have consulted with our local police force here in Buckingham as well as various other agencies. I am sharing with you now some highlights and points of interest.

A full standard operating procedure for assisting us in cases of emergency will be in full force by August (this is available on parish website). Procedures will be made public and all leaders will be informed and made aware of important steps in order to usher people to safety and inform law enforcement as well as other emergency agencies as appropriate. An exhaustive list of options were discussed as to their benefits and usefulness toward making our place a safe and welcoming worship sight, as well as the impact these options would have practically. Highlighted here are just some of the important decisions:

We have implemented a closed and locked door policy here in the church 15 minutes after major worship events, including Sunday Mass. Ushers and Ambassadors of OLG will be posted at the front doors to monitor and allow us to come and go freely throughout the Mass and other events.

Additionally, a comprehensive camera system has been approved and will be installed throughout the campus. This was one of the first recommendations that the Buckingham Police made to us with regard to prevention and prosecution.

We have also enlisted the support of our police to provide continuous monitoring of our campus as a part of the regular patrolling and shifts throughout the day and week.

Unfortunately, with the horrible events happening around the world, it is important that if you are in any large crowd, including church services, and gunfire occurs it is important that you (1) don't panic and try to maintain your composure, (2) make yourself a very small target by getting low, and (3) leave the area as soon as possible.

Continued on next page

SAFETY CONTINUED

The Safety and Security Committee will continue to meet on a regular basis to make updates and adjustments to our policy, as well as communicate them to us as appropriate and needed. I am most grateful to all of them for their time, enthusiasm, expertise as well as the recommendations they have made and will continue to make in the future.

Anyone who has any questions or ideas they may like to share with our Safety and Security Committee may do so by contacting our Maintenance Supervisor and also our Head of Safety and Security, Joe Balaza, or any other members of the Committee.

THE MOST HOLY BODY & BLOOD OF CHRIST, CORPUS CHRISTI

Genesis 14, 18-20—Blessed be Abram by God Most High, the creator of heaven and earth; and blessed be God Most High, who delivered your foes into your hand.

Psalm 110, 1. 2. 3. 4—O Lord, our God, how wonderful your name in all the earth!

1 Corinthians 11, 23-26—This is my body that is for you. Do this in remembrance of me.

Luke 9, 11-17—Melchizekek, priest of God Most High, offers bread and wine as a blessing upon Abram. Jesus fulfills this offering, giving us his own Body and Blood under the forms of bread and wine. Thus is our hunger satisfied in abundance as we make our pilgrim way to the heavenly banquet feast.

LIFE just got a little easier

LIFE St. Mary is an innovative program that helps people age 55 and older with chronic health problems and/or memory loss avoid moving to a nursing home and continue to live at home. For those who qualify, LIFE helps older adults navigate the healthcare system and addresses the needs of the whole person with such services as primary and specialty medical care, medications, personal care at home, activities at a day center, meals and transportation—all in one location.

Who is eligible for LIFE St. Mary?
• Age 55 or older
• Live in the Life Service area
• Need the level of care that requires nursing facility-type services
• Can live safely in the community with the services provided through LIFE St. Mary
