The Catholic Church of Philadelphia Planning Study Survey

The Catholic Church of Philadelphia recently completed its comprehensive campaign planning study. Our partners at the Steir group, a Catholic development consulting firm, gathered feedback and reported their findings to Archbishop Nelson J. Pérez, his team, the clergy, and other leadership groups. Based on the feedback from the interview and survey responses, the firm recommended the following next steps:

- Begin a focused season of planning and preparation for an Archdiocesan-wide campaign
- Confirm the campaign priorities and goal in light of what we have heard from the faithful
- Form a clergy committee to assist Archbishop Pérez in establishing campaign policies and procedures
- Invite lay leaders from across the Archdiocese to serve in this shared work of stewardship and mission as part of the campaign cabinet
- Develop a clear case for support that demonstrates how Missionary Hubs can grow discipleship and outreach, and how other campaign priorities can strengthen the Archdiocese
