2018 STEWARDSHIP CAMPAIGN APPEAL

The response we have received from the Appeal has been remarkable! To all of those who have responded, thank you! So far we have raised \$120,885 towards our \$150,000 goal (as of 12/19/18). This is the result of 325 generous families contributing. If you have not yet returned your response card or donated online, please do so at your earliest convenience. Our Campaign is drawing to an end, but you can still join your fellow parishioners in making a gift to the Appeal by returning your response card or making a gift online. Together we can achieve our goal!

DO YOU HAVE RMDs?

If you are over age 70 ½, it's worth considering a last minute qualified charitable deduction under which you sell stock or transfer cash tax-free to OLG.

Best part – this donation will satisfy your RMD (Required Minimum Distribution) from your retirement account. If the distribution goes directly from your IRA trustee to OLG, the amount of this contribution is not subject to income tax. Please contact Ed Zapisek at the parish office if you have any questions.

We will board our bus no later than 4 p.m. and will be driven to the Basilica of the Immaculate Conception for a meal or to tour the church. There is an opportunity for those who cannot march to spend their day at the Basilica. However, you will need to get a cab from Union Station to the Basilica. There is no charge for a seat, (donations accepted) however, you must register. Reserve a seat by calling Kathy at 215-348-4381. When you register, leave your email and cell phone number.

Being pro-life is not in opposition to science. It's quite the opposite in fact! Medical and technological advancements continue to reaffirm the science behind the pro-life cause – that life begins at fertilization, or day one, when egg meets sperm and a new, unique, human embryo is created. From the moment of fertilization, our DNA is present, whether it's 23 pairs of chromosomes or 22. The unique fingerprint that each of us has – distinguishing us from any other human on the planet, is determined by that DNA at day one! Right from the beginning of life, you are becoming the unique, incredible, unrepeatable person that you are!
